DOCKE DJ TANTRUM ROCKS BIO

Part DJ prodigy, part marketing virtuoso, 100% talent. DJ Tantrum has managed to garner a resume that only few could match.

His versatility allows him to spin everything from hip hop, top 40, and mash ups to rock, house, and even country. With a knack for packing dancefloors, DJ Tantrum manages to repeatedly rock crowds wherever he's commissioned. Notoriety from mixing skills has helped him to score appearances on **BET**, land residency as the **Houston Beer Fest Official DJ**, and garner mentions in magazines and news outlets.

Armed with a bit of marketing savvy, he blends high quality musical programming seamlessly with branding initiatives. That's why corporate clients like **McDonald's**, **Sprite**, **Trojan**, and **Virgin Mobile** love to contract him for various projects such as **Sprite Step Off** and **Trojan VIP Nights**. This dude has even transplanted to the shores of **Spring Break Central** a.k.a. **South Padre Island, TX** for season long DJ residences. You might have seen him on **Good Morning America** touring with the **Color Vibe 5K**. DJ Tantrum, now rocking a party near you...
